WELCOME!

ELEVATION DANCE CO.

Welcome to Elevation Dance Co!

Founded in 2019, you can expect a fun, friendly and laid back environment where everyone is welcome and all children are given equal opportunity to shine.

At Elevation Dance Co we have all of the best bits of dance, without any of the stress! Our purpose is to develop our students love of dance with an emphasis on the personal growth and achievement of each student.

We are truly passionate about nurturing a child's love of dance from a young age, right through to their senior years. We believe that dance should always be fun and the classroom should be a place where children feel safe to express themselves and learn.

At Elevation Dance Co the safety and wellbeing of our families and students is our highest priority. Therefore, we have the following rules in place:

FOR OUR STUDENTS

The use of social media apps such as Snapchat, Facebook, Tik Tok, Instagram etc are banned whilst within the EDC premises.

Technology such as phones, iPads/tablets and smart watches should only be used for necessary contact between students and parents/guardians while at dance.

Phones and tablets are under no circumstances to be used to take photos or videos whilst on the EDC premises by those under 18yrs either of themselves or of others.

If you are waiting in between classes and wish to use your device with your parent/guardians permission to do school work, or play age appropriate games that do not require an internet connection you may do so. Your teacher may ask you to show them your screen if they believe you are misusing your device whilst at dance.

FOR OUR PARENTS

No dance related images or videos are to be posted on social media accounts that include children from EDC other than your own, unless you have been given permission by the child(ren) and their parent(s)

We understand that many exciting milestones happen in your child's life that may occur within our studio, at dance competitions or concerts and you may from time to time wish to document these events.

Parents are welcome and encouraged to take and share these moments, however, should to the best of their ability, ensure that only their child is captured. Should any other children be captured in these images or videos their faces must be blurred or covered when shared on social media unless you have consent from that child to take the photo/video and from their parent to share it.

Strictly no devices that are able to take photos or videos are to be used whilst in the dressing rooms or backstage at competitions, concerts or at the studio.

Parents agree to enforce and make their child aware of the above policies outlined in the student section.

By enrolling your child at Elevation Dance Co you therefore agree and understand the above policies. Failure to comply with these policies may result in warnings, suspensions or termination of your child's enrolment at Elevation dance Co as seen fit by our staff.
